Your Safety Is Our Top Priority!

- Help us make your trip safer!
Step over the gap between the train and platform when boarding and exiting.
Never stand at the edge of a platform, or lean over a platform to see if your train is coming.

Before Boarding Your Train

Station platforms are accessible to mobility-impaired customers. Please inform the conductor if you need assistance on and off trains.

Westbound PEAK AM electric trains displaying white and red headlights simultaneously are short of cars. If red lights appear, you may need to reposition yourself on the platform to board.

The LIRR is a smoke-free public transportation system. Smoking is prohibited at all times on all trains; in all waiting rooms, elevators, staircases and enclosed waiting areas; and in outdoor ticketing, boarding and platform areas of terminals and stations.

On Your Train

Please make sure that your ticket is available for immediate presentation to the conductor. If you change seats or trains en route, hold on to your ticket for presentation to avoid paying an additional fare.

Quiet Cars® are available on weekday AM Peak (FIRST CAR) and PM Peak (LAST CAR) single-level electric trains to/from Penn Station and Atlantic Terminal.

Most LIRR trains have restrooms in every other car. These are always the odd-numbered cars. Check the car number on the outside of the inside of the car to locate a restroom-equipped car.

Luggage should be stored in overhead racks and not take up seat space or block the aisles or doorways. Luggage may not be left unattended. Bags and containers are subject to random search by MTA police.

At Your Destination

Please carefully check to ensure you do not leave anything behind. Should you forget something, our Lost & Found Office in Penn Station will be happy to help.

Please help us keep our trains clean by taking coffee cups, paper bags or other disposable items and depositing them in the receptacles on the station platform.
